

Street Angels Scholars, a non-profit 501(c)(3) was created by Street Angels Motorcycle Club, a group of women dedicated in its efforts to provide for the community an organization which promotes the safety of motorcycling, camaraderie and the patronage of the riding community. We strive to make great contributions to our riding community, as well as assisting those in need.

The Scholarship was established in 2008 as another opportunity to give back to the community.
